

Dr. Sheela Basrur
1956-2008

Dear OPHA Supporter,
As President of OPHA, I would like to invite you to lend your support to the launch of the Sheela Basrur Centre at a special event planned by the Ontario Agency for Health Protection and Promotion on November 27, 2008 at The Carlu. An invitation to the event is included at the end of this message.

As you may know, Dr. Sheela Basrur fought relentlessly throughout her career for social justice. The Sheela Basrur Centre is an institution devoted to providing opportunities for public health professionals to contribute to the promotion of social justice issues through advances in public health knowledge and practice. In this way we hope to honor and perpetuate the achievements and the memory of Dr. Basrur.

Whether you are able to attend the launch event or not, please disseminate the invitation as widely as possible. Sponsors and donors supporting the Sheela Basrur Centre are welcome and details are available from the Ontario Agency for Health Promotion at www.sheelabasurcentre.ca

I look forward to your wholehearted support for the Sheela Basur Centre as the initiative evolves.

Sincerely,

Carol Timmings.
