

Spark Together for Healthy Kids™ Partner Opportunities

Your organization can:

- Sign the Spark Promise for our Children
- Apply for a Spark Community Advocacy Grant
- Include the Spark link on your own website
- Post Spark posters and brochures in your office, programs, community centre's etc to educate and motivate staff and stakeholders
- Host a Promise to our Children sign on event
- Send email updates and participatory information to members and networks
- Participate in Spark events
- Develop your own Spark related initiatives and positioning
- Read and post spark stories on our website
- Include Spark material in your newsletter
- Share and use pieces of our policy document to support your advocacy efforts
- Contact your local politician about policy change that will have a direct impact on children being more active and eating healthier
- Help communicate and engage your members and networks in Spark Together for Healthy Kids
- Spread the word about this important issue and ask others to sign the Spark Promise to our Children at www.heartandstroke.ca/spark
- Help us reach our goal of 500,000 signatures on the Spark Promise to our Children
